

ENVIRONMENTAL POLICY

Peterhead Port Authority recognises its environmental responsibilities and shall actively work to minimise pollution and the effects of its activities on the environment. As part of this undertaking, in relation to the activities and operations within the physical limits of the port, we are committed to:-

- Continual improvement of our environmental habitat.
- Prevention of pollution with due regard for nature conservation.
- Comply with environmental good practice and legislative guidelines.
- Provide a framework for setting and monitoring environmental objectives, with provision for regular review making the results available in our annual report.
- Implementing a training program for our staff in order to raise awareness of environmental issues and enlist their support in improving the organisations performance

Furthermore:-

- Periodically revise our environmental policy, and ensure compliance with best practice and current legislation.
- Co-operate with stakeholders, authorities and other participants to fulfil our environmental objectives.
- Consult with the local community and relevant organisations on their environmental programmes.
- Use resources as efficiently as possible, encouraging staff and contractors to do likewise and consider the environment sympathetically.
- Work to prevent environmental incidents and maintain preparedness response to reduce any adverse effects that may occur there from.
- Work to reduce our carbon footprint and improve the sustainability of our environment
- Ensure that the necessary resources are made available to implement and maintain this policy.
